Clarification of News Report

POSC cannot comment on anything related to the bidding process without risking violating the prohibition on influencing the outcome of the bidding clearly provided in the Bidding Rules. The most that the Company can say about the bidding is far from over as there are still a lot of issues that will need to be resolved, including the eligibility of the bidders; after which there will be a bid evaluation process. So no party can rightfully claim that it has won the bid at this point.
