**MANAGEMENT REPORT ON
2019 OPERATIONS AND RESULTS**

The next item on the agenda is the approval of the operation and results for the Year 2019.

Upon the request of the Chairman, Ms. Carmelita Chan, the Head of the Online Lottery Division, presented the Message to the Shareholders as follows:

Pacific Online Systems Corporation with its over two decades of experience in the industry has consistently provided a reliable lottery gaming system to the Philippine Charity Sweepstakes Office (PCSO). It has harnessed advances in technology to meet the demands of a market that continuously evolved for decades.

The fiscal year of 2019 had many challenges for your Company as the following events reduced revenues.

These are the temporary closure of lotto and keno operations, competition from the nationwide expansion of Small Town Lottery (STL) operations, the proliferation of illegal games, the mandated lower payout for keno, and the imposition of higher prize and documentary sales taxes (DST) on lottery.

As a result, your Company’s revenues fell by 49% to ₱ 990 million in 2019. This decline resulted to a net loss of ₱318 million in 2019, from a net income of ₱304 million from the previous year. Lotto continues to be a key source of revenue with your Company maintaining its market presence of 3,785 terminals with subsidiaries Total Gaming Technologies, Inc. providing 1,833 keno terminals and Lucky Circle Corporation with 233 outlets.

Even if setbacks in the current lottery climate persist, Pacific Online remains confident that the recent hampered performance will not persist in the medium term.

We are looking forward to a better year as there is now no legal impediment for the Company to install lotto terminals to agents in Luzon whose per capita sales are more than double than the average VISMIN agent, which since November 2019 was our principal territory.

Pacific Online has been upholding its performance standards maintaining its ISO certification for Quality Management and Information Security Management.

It also stands by its duty to steward the nation and environment by initiating its maiden Sustainability Report presenting its performance on economic, social, environmental and governance issues.

Due to our steadfast commitment to full transparency and accountability, we emphasize that Pacific Online’s network offers the most efficient and transparent online lottery system promoting responsible gaming.

This will ensure the remittance of the proper dues to enable PCSO to fulfill its mandate for charity works and taxes to the government, which we believe is the backbone of a sustainable and legitimate program for the government's charity work.

At Pacific Online, our greatest asset has always been our people. Your Company would not have achieved our greatest heights without them, and that by renewing our commitment to them, the Company can re-affirm its position as a market leader in the gaming industry.

As we look forward to serve you and the public in these uncertain times, we count on you, our dear stockholders for your continued trust and support. Thank you.
