

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

Our company has conducted numerous CSR project over the course of the year, despite the pandemic. This 2021, listed below are the notable initiatives and their corresponding UN Sustainable Development Goals they address:

CyberGuardiansPH

Our company, along with DICT, started an awareness campaign with CyberguardiansPH – OSAEC (Online Sexual Abuse & Exploitation of Children) and all kinds of cyber threats, which has grown over the years.

We scheduled meetings with different organizations to introduce CyberguardiansPH, its advocacy, and possible collaboration with these organizations. Agreements were undertaken with Holy Angel University, Philippine Guidance Counselling Organization, and Oblate Youth Philippines in joining the cause and in their responsibilities as new members of the campaign.

CyberGuardiansPH kicked off its Training and Mentoring Program through an ORIENTATION WORKSHOP for CyberYouthWarriors. (Aug. 25, 2021)

MOA signing event with Oblate Youth Philippines

Part of the awareness campaign of CyberGuardiansPH is to come up with three groups (high school level, college level, and professional level) that will champion the advocacy in their respective circles. Training and Mentoring activities were conducted among the different groups to orient and empower them in their responsibility to protect the youth against cybercrimes.

The culmination of these workshops led to the 2-day National Youth Leadership Summit held on November 20 & 27 via Zoom and Facebook Live. This nationwide event was well-attended, with participants reaching more than 2,000 in number. Speakers from different sectors gave talks on their experiences in business, media, church, and government, on how their organizations create a safer online space for the youth today.
