Recommendation 2.2			
1. Board oversees the development, review and approval of the company's business objectives and strategy.	Compliant	<i>Provide information or link/reference to a document containing information on how the directors performed this function (can include board resolutions, minutes of meeting).</i>	
2. Board oversees and monitors the implementation of the company's business objectives and strategy.	Compliant	The Board of Directors leads the overall company's business direction by developing strategy and identifying targets for the coming years. The CEO's role is to ensure the delivery of these targets within the general business environment, with quarterly business reviews with the Management Team as well as the Board. The Management Team then cascades the objectives and deliverables to the employees, for timely and appropriate implementation, evaluation and corrective courses of action, if required. Further, the Board of Directors ensures the company's capital and debt structure align with strategic goals and risk appetite through the following measures: 1. The Board regularly reviews the company's financial reports, which include balance sheets, income statements, and cash management. This thorough examination allows the board to	

		scrutinize the components of each account, including the current capital and debt structure, understanding their composition and implications for the company's financial health. 2. During regular board meetings, the Board assesses whether the existing financial structure supports the company's strategic goals and long-term objectives. This analysis helps identify areas where adjustments may be necessary to better align with the company's vision. 3. The Board continuously monitors the company's financial performance and market conditions. 4. Major decisions of the company require board resolutions and approvals. These decisions are documented in official board meetings and recorded in corporate governance documents. 2025 Summary of Board and Committee Activities https://www.loto.com.ph/wp-content/uploads/Summary-of-BOD-activities-2025.pdf Revised Manual on Corporate Governance, p.8-10 https://www.loto.com.ph/wp-content/uploads/CG-MANUAL-Apr.-25-2022.pdf

Recommendation 2.4			
1. Board ensures and adopts an effective succession planning program for directors, key officers and management.	Compliant	<i>Disclose and provide information or link/reference to a document containing information on the company's succession planning policies and programs and its implementation.</i>	
2. Board adopts a policy on the retirement for directors and key officers.	Compliant	Revised Manual on Corporate Governance, Item 2.18.2.1.4, p.20 https://www.loto.com.ph/wp-content/uploads/CG-MANUAL-Apr.-25-2022.pdf A fundamental responsibility of the Board of Directors is to ensure that effective processes are in place to provide continuity of Board and executive leadership. The Board ensures that such leadership possesses sufficient depth, talent and conviction for effective Board oversight and execution of long-term strategies, consistent with the Company's vision and mission statements. Hence, a process for identifying and assessing potential internal candidates, periodic review and assessment of readiness, contingency planning for temporary absences of the key positions due to disability or any other unexpected event, should be in place.	

		The Board will review and assess said processes on an annual basis. A succession planning process shall be established to include: a) Identification of critical positions; b) Identifying potential successors, and behavior; c) Readiness of successors; d) Possession of necessary knowledge, skills; and e) Tracking the progress. The Board of Directors has adopted a policy with respect to the retirement of directors and key officers at age 80. In the adoption of a policy on retirement of directors and key officers, however, the Board of Directors, through the Corporate Governance Committee, will still be mindful that long-term experience is still a critical asset for persons engaged in the gaming industry and this will still be considered in the determination of directors and/or officers due to be made subject of mandatory retirement.

6. Board has a process for identifying the quality of directors that is aligned with the strategic direction of the company.	Compliant	Further, after the nomination, the CG Committee shall prepare a List of Candidates which shall contain all the information about the nominees for election as members of the Board of Directors, which list shall be made available to the SEC and to all stockholders through the filing and distribution of the Information Statement or Proxy Statement, or in such other reports as the Corporation will be required to submit to the SEC. The name of the person or group of persons who recommended the nomination of the independent director(s) shall be identified in such report including any relationship with the nominee. Only nominees whose names appear in the List of Candidates shall be eligible for	

election as directors. No other nominations for election as director shall be entertained after the List of Candidates have been prepared and finalized.

No further nominations for election as director shall be entertained or allowed on the floor during the annual stockholders' meeting to ensure that all nominees are properly vetted.

Based on the Final List of Candidates, directors are elected individually. Each shareholder may vote such number of shares for as many persons he may choose to be elected from the Final List, or he may cumulate said shares and give one candidate as many votes as the number of his shares multiplied by the number of his shares shall equal, or he may distribute them on the same principle among as many candidates as he shall see fit, provided that the total number of votes cast by him shall not exceed the number of shares owned by him multiplies by the number of directors to be elected.

Profiles of directors for election are posted in the company's website.

Provide proof of effectiveness of risk management strategies, if any.

The Enterprise Risk Management (ERM) matrices are prepared bi-annually by the respective Business Units process of which includes identification, rationalization and assessment/prioritizing of risks. Development and implementation of risk management strategies then follow which involve avoidance, reduction, transfer or acceptance.

Thereafter, these are presented to the Management for discussion. The ERM matrices are then presented to the Risk Oversight Committee to ensure the integrity and quality of the Company's risk management system.

The matrices used by the Company include the risks' descriptions and information on how they are mitigated. They are also categorized based on "Impact" and "Likelihood of Occurrence." Effectiveness of the strategies employed to manage the risk may be determined if the risk items from the previous year are considered "closed" or "moved to issue" or "open" with provisions on how they may be mitigated.

These risk matrices were presented and discussed with the Risk Oversight Committee in February and October 2025, and in February 2026.
